

Instructions for Petitions to the 2020 General Conference

The United Methodist Church

“Any organization, clergy member, or lay member of The United Methodist Church may petition the General Conference...” (¶1507, The Book of Discipline 2016)

General Instructions

1. Disciplinary and Resolution petitions must address material contained in *The Book of Discipline 2016*, *The Book of Resolutions 2016*, including any errata or addendum published by the United Methodist Publishing House. Earlier editions of either book may not be used. (i.e. *The Book of Discipline 2012, 2008, 2004*, etc.) Non-Disciplinary petitions propose an action of the General Conference, but do not propose a change to either book.
2. Due to the passage of legislative material by the 2019 Special Session of the General Conference, an addendum may be found at <https://www.umofficialresources.com/updates>. These paragraphs replace what is printed in *The Book of Discipline 2016*. Petitions related to these paragraphs must reference the material in the Addendum. The Errata (corrections) for *The Book of Discipline 2016* are included at the end of the Addendum document and should also be considered in petition texts.

Required File Format

1. All petitions should be submitted digitally by e-mail, USB drive, or through the General Conference website following the format below. Typed petitions without digital media will not be accepted. Handwritten or hand printed submissions will not be accepted.
2. Petitions must be typed, double-spaced. Microsoft Word files (.doc, .docx, .rtf) or any other software that allows files to be saved as rich-text format (.rtf) may be used. **Do not submit PDF (.pdf) or JPEG (.jpg) files.**
3. Do not use “Track Changes” at any point in the preparation of a submitted petition document. If the feature is used in the early stages of petition preparation by a group, the submitted document should be re-typed as a “clean” copy, not using “cut and paste” from the original document.

Content of Petition Text

“Each petition must address only one issue if the Discipline is not affected; if the Discipline is affected, each petition must address only one paragraph of the Discipline, except that, if two or more paragraphs in the Discipline are so closely related that a change in one affects the others, the petition may call for the amendment of those paragraphs also to make them consistent with one another.” (¶1507.2, The Book of Discipline 2016)

1. State desired action, i.e. “Amend ¶ __”; “Add new sub-paragraph after ¶ __”; Delete ¶ __ and substitute the following...”; “Add new paragraph...”; “Amend Resolution # __”; etc.
2. Use single underline for proposed additions and strike-through for proposed deletions.
3. Do not use subscript or superscript, as is commonly used for footnotes and endnotes. Instead of footnotes and endnotes, use in-text citations as illustrated in the quote from *The Book of Discipline 2016* above.
4. The **top of the first page** of the petition (not every page) should read as follows:
 - Total Number of Pages:
 - Suggested Title: (i.e. “Establish Quorum”)
 - Discipline Paragraph or Resolution Number, if applicable: (i.e. “Discipline ¶1506” or “Resolution #42”)
 - General Church Budget Implications: (i.e. “None” “Needs New Funding” or “Needs a Budget Increase”)
 - Global Implications: (i.e. “None” or “Yes”)
5. The **bottom of the final page** of the petition (not every page) should include:
 - Date:
 - Signature of the Petitioner:
 - Identification of the Petitioner: (i.e.– “Member of __ UMC”; “Secretary of __ Annual Conference”; etc.)
 - Phone:
 - City, State, Province, Country:
 - E-mail Address:

The requirements of #4 and #5 above still apply if submitting through the GC2020 website and completing the required submitter information form. Do not use the header/footer feature to accomplish #4 and #5.

“Each petition must be signed by the person submitting it, accompanied by appropriate identification, such as address, local church, or United Methodist board or agency relationship.” Telephone numbers must also be included. “Each petition submitted by fax or electronic mail must identify the individual submitting it, accompanied by identification as above, and must contain a valid digital electronic mail return address or return fax number by which the submitter can be reached. Electronic signatures will be accepted in accordance with common business practice (§507.3, The Book of Discipline 2016).”

Supporting Material

1. Anticipated financial requirements are to be included as an appendix to the petition text and should follow the final page of the petition text in the petition text document.
“All petitions submitted to the General Conference, except those submitted by individual members of The United Methodist Church and local church groups, which call for the establishment of new programs or the expansion of existing programs will be invalid unless accompanied by supporting data that address the issue of anticipated financial requirements of the program.” (§507.4, The Book of Discipline 2016)
2. Submitter may submit a rationale supporting the petition. Should the rationale be longer than the fifty (50) word limit, only the first fifty words will be printed in the Advance Daily Christian Advocate (ADCA) or available through the online legislation tracking website. The rationale is to be submitted as a separate text file and should not be included in the petition text file.

Frequently Asked Questions

What does it mean to say a petition has or does not have “General Church Budget Implications”?

A petition that causes the need of increased funding (i.e. creation of new program, staff position, requirements of support work by staff, etc.) through the General church apportionments has “General Church Budget Implications” for the procedural purposes of General Conference. This requires a review by the General Council on Finance and Administration (GCFA) to verify if the funding has already been included under the recommended quadrennial budget or if this requires new funding not currently in the proposed quadrennial budget. A petition that does not cause the need of funding, or that causes the need of funding from some other source (local congregation, district, annual conference, jurisdiction, etc.) than General church apportionments does not have “General Church Budget Implications”.

What does it mean to say a petition has or does not have “Global Implications”?

A petition that causes a change to The Book of Discipline or The Book of Resolutions or otherwise takes some action or position for the entire denomination has “Global Implications” if it:

- Is a constitutional amendment
- Has a direct effect on the global work of general boards, councils, or agencies
- Places requirements or expectations on all annual conferences, districts, or churches regardless of whether they are located in jurisdictions or central conferences
- Speaks to universal societal concerns, regardless of the particular form of secular government or cultural differences
